WE ADD flair! TO YOUR EVENTS

Event Management

A name to rely on when you require an experienced team

Event Management is our core business:
Be it facilitation of trained manpower in the food and beverages department or managing an entire event, we have the manpower and experience to cater to your every need.

We have an experienced in-house team to manage any event you might be planning, be it a small gathering on your lawn or a business meeting – we can manage your event with our experienced staff in the food and beverages department or with our technical staff in organizing a flawless meeting.

WE ADD flair! TO YOUR EVENTS

Experience

Is our strength

We have a strong in-house team with a vast experience in doing our core business – managing events. We have been very active in the city of Dubai for the past few years and aim to get the same acceptance and recognition in Abu Dhabi too.

WE ADD flair! TO YOUR EVENTS

Catering & Transportation

We provide catering and transportation of ready foods in our own refrigerated vehicles, to ensure that your guests enjoy our food at its freshest -respecting all HACCP guidelines.

WE ADD flair! TO YOUR EVENTS

Our Team

We have an experienced and dedicated team to manage our activities.

In addition to managing entire events on our own, we do support the events of a select group of clients in the city of Dubai on a regular basis.

TAMAM events
